Christmas Jumper Day

Thank you to everyone who took part in our Christmas Jumper Day and donated - we raised £80.00 for Save the Children.

Good morning and a Happy New Year to you all.

I hope you had a good break over Christmas, were able to spend time with friends and family and enjoyed the festivities. The staff and myself would like to thank everyone for their kind wishes and very generous gifts which we received from families at the school; they are very much appreciated.

The children have eased back into school life and the staff have followed! I suspect there have been some tired children as the week has progressed, but I'm sure by next week everyone will be up to full speed. Behind the scenes though it has been busy as always. It has been pleasing to see the children return looking so smart. Please can the girls not wear nail varnish to school as it is not part of the uniform nor are extravagant headbands, bows or hair ties.

Over the next few weeks, the Senior Leadership Team will continue to hold pupil progress meetings with every teacher to discuss your child/ren which will then be shared with you at our March parent meetings. There are also many trips and visits planned during the Spring term so keep checking the dates section of the newsletter.

Some of the funding schools receive is based upon eligibility for free school meals and the more eligible children that a school has, the more funding it will receive. So if parents don't apply (even if their children receive infant free school meals), the school does not receive funding. Please find attached a 'Free School Meal Eligibility & Pupil Premium Application Form', we would be very grateful if you could read this document. If you meet the criteria given on the second page or are not certain please pop into the school office who will provide you with the form to complete. This information is required before **MONDAY 16TH JANUARY** as the funding is only generated once a year from the January census.

This half term we will be focusing in school on the Christian Value Truthfulness. Next week, the Value Newsletter will be sent home with ideas to share with your child.

A busy and exciting term ahead! Have a lovely weekend.

With best wishes.

Headteacher

Please ensure that you write your child/rens name on all items of clothing. Thank you.

Severe Weather Plan for Parents and Families

“Schools should, wherever possible, stay open in severe weather. They play a key role in their communities and by staying open help both their pupils and parents.” – Department for Education.

Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected and it can be difficult to maintain an education service. We recognise that it is important that our school remains open so parents are able to work and pupils can continue to learn. More details about school closure procedures are in the attached letter.

Inconsiderate Parking

We have received a complaint from a resident on Milton Avenue. On Wednesday 4th January a Black Peugeot Estate car parked across their driveway and when challenged the driver was very rude. We do understand that parking is difficult but please remember this is a residential area and we ask you to be considerate when parking at drop off and pick up times.

School Uniform If you require any school uniform please can you order this directly from Brigade at
