

HOME LEARNING

Useful links to online learning and home learning activities:

Maths:

<https://www.topmarks.co.uk/maths-games/hit-the-button> Hit The Button: Key number fact practice including number bonds and times tables.

<https://play.ttrockstars.com/auth/school/student> TT Rockstars: All pupils have their own username and password to access this website. A free app can also be downloaded for phones and tablets.

Use playing cards or dice to generate numbers which can be added, multiplied etc...

Use catalogues or brochures to add and subtract totals of money.

Play games involving number e.g. dominoes, card games, snakes and ladders.

Use measuring equipment e.g. weighing scales, rulers, measuring tape and make maths practical!

English:

<https://thereadingrealm.co.uk/> Free downloadable reading packs and activities.

<https://www.topmarks.co.uk/english-games/5-7-years/letters-and-sounds> Choose the tab at the top for age appropriate English learning.

Learn the common exception words – be creative using rainbow colours to write the words, cut them out of paper, spell them out with spaghetti.

Read, read, read! Remember you can read anything – magazines, newspapers, recipes, game instructions.

Word searches, cross words, scrabble, boggle and other games involving creating words.

Write a character review of your favourite film or book character. Can you illustrate it?

Use your imagination – create a travel brochure to a different planet or world; write a letter to your family from the moon; write your own imaginative story.

All Subjects:

www.purplemash.com/surreyhills Purple Mash: All pupils have their own username and password to access this website and resources. A cross-curricular website for children to explore and enhance their knowledge in a fun and creative way.

<https://www.bbc.co.uk/bitesize/primary> Choose your key stage to access a range of resources; including online games and learning clips.

<https://www.bbc.co.uk/programmes/articles/319Xwwk3ZMzRGWvC5xZKNq8/podcasts> Listen to child friendly podcasts; these can be downloaded on phones, tablets, smart speakers.
