Count in multiples of 3 to support later understanding of a third

Count using the context of time

Count using the context of length, mass and capacity (reading scales)

## Purple Mash

Search - Guard the Castle

## Physical Development

'Jump Start Jonny' movement break

9am Daily PE with Joe Wicks

## Expressive Arts and Design

Who is Andy Goldsworthy?

Collect materials from your garden to create your own piece of art in the style of Andy Goldsworthy

## Science

Create a food chain of animals you have found in your garden - What is a herbivore? What is a carnivore? What is an omnivore?

Create your own animal that could live in your garden - What body parts does the animal have? Why does the animal like to live there?

## Be a historian

Build a castle - Draw your castle, can you name the different parts of a castle?

## Learning for Life

Reflection - What have you enjoyed about this week?

## Forest School

Create a stick craft dragon. You could use: sticks, leaves, tape, clay, cardboard, stones, nuts, berries

What animals can you find in your garden? What is the same? What is different?
