**SUMMER TERM – Week 6 (w/c 1/6/20)**

## **Years 3 & 4**

**Dear Parents & children,**

I hope you have all had a restful break and enjoyed being outside in the fantastic weather. This week, year 6 children will be returning to school and will be taught in two separate bubbles. In fact, I (Mrs Coyle) will be teaching one of the bubbles. Other phase teachers will be working in school with key workers' children. This means we will not be able to respond to your work as quickly as we have done previously, however we will try our best to be as prompt as is possible so please keep up the great work and hand it in as you go.

If you encounter any problems with the platform Purple Mash, Read Theory or Times Table Rock Stars, please contact the office and refrain from trying to send messages via Purple Mash to enable us to help you quickly.

Please endeavour this week to log into Read Theory for a thirty minute minimum session. It is a useful and fun way to improve your reading comprehension.

Remember to take breaks from the computer and that it is still OK to work offline. If you do work offline, try to upload a picture of your work and let us know by dropping a comment in the appropriate blog.

The learning tasks set for this week are as follows:

**English:** Access via the blog and all sessions have a 2do tasks set.

- Session 1 – Using pronouns
- Session 2 – Using the first & third person in writing
- Session 3 – Converting dialogue into reported speech.

**Maths:** Access to videos and worksheets through the blog to White Rose Maths Hub:

- Year 3 - Fractions
- Year 4 – Fractions

**Science: The Life Cycle of a Plant**

**Spelling:** Suffixes –ing, -ed, -es, -s

**Mindfulness for Children:** Colour in a range of mandala whilst listening to mindful music.

Please **watch the blog video** before attempting any 2do task set and remember to “hand in” your 2do work as otherwise it cannot be marked and shows as outstanding.

Hopefully, you are all able to access the comments we make on your work and are enjoying the rewards!

If you haven't yet been able to reorganise your work folders, have a look at the computer blog which will help you organise your work folders so that any uploaded images can be easily located. Try creating a folder for each week's work (week 6, week 7, etc).

Do try to post images on the class blogs of what you have been doing during half term - we are all missing you and wondering what amazing things you have been up to. Keep up the great work. We are all very proud of you.

With very best wishes,

**Mrs Coyle, Mrs Squires, Miss Thomas and Mrs Grover.**
