

Year 1 and 2 Home Learning Expectations w/c 06.07.20

Please remember that it is really important to take regular breaks when working on the computer. Please ensure you balance online learning with offline learning. You can upload photos, with adult permission, or write on the blogs to let us know the learning you have been doing offline.

Subject	Learning Task		
<p>Project: What are plants? <i>Please refer to Plant Project blog post on Purple Mash</i></p>	<p>Suggestions of how your child could carry out their project: How many different plants do you know the names of? How do you identify a plant? Which parts of a plant do you know? Can you describe what different trees look like? What are deciduous plants and how are they different to evergreen plants? How many ways could you compare and sort different types of plants?</p>	<p>Useful websites: https://www.science-sparks.com/plant-science-for-key-stage-1/ https://www.plt.org/educator-tips/easy-plant-science-experiments-for-the-classroom/ https://www.bbc.co.uk/bitesize/topics/zpxnyrd https://www.lovemyscience.com/cat_plants.html My Tree and Me https://www.youtube.com/watch?v=kE4AJP68IPI</p>	<p>Suggestions of how your child could present their learning: Look at KS1 Plant Project blog on Purple Mash. Stick in a photo or drawing of a plant, including labels or the different parts or use a real plant! Produce an information sheet for a deciduous tree and one for an evergreen. Divide a page in half. Stick photos of deciduous trees on one half and evergreens on the other. Look at photos or draw common plants and label them.</p>
