YOUR FEELINGS AND ACHIEVEMENTS WHILST YOU'VE BEEN AT HOME

During lockdown, I have noticed lots of things that I would have missed if I had been at school.

What have you noticed about your home? What have you seen and been delighted

by outside, in nature? What else have you observed?

YOUR FEELINGS AND ACHIEVEMENTS WHILST YOU'VE BEEN AT HOME

People in the government are helping us to
Teachers are heroes too! They are helping me to
Happily, lots of people are working hard to help me and my family get back to normal and that makes me feel

Congratulations! You have quite clearly done a great job of looking after yourself during your time off school, whilst you have been at home. You have learned many things and still have lots of things to look forward to! Keep washing your hands, keep a safe distance from others and remember, if you ever feel upset or sad, read this sheet and remind yourself how far you have come. It is good to give yourself a pat on the back.
