

SURREY HILLS ALL SAINTS WEEKLY BULLETIN

06/03/26

Introduction

Dear parents & carers,

Going forwards, we will be trialling sharing a weekly bulletin on Fridays. This will be in addition to the half-termly newsletter which will continue to capture your child's experience within their class.

The weekly bulletin will celebrate successes and share key information on a range of important aspects of school life such as safeguarding, inclusion and collective worship.

We are keen to collaborate effectively with you to enhance your child's experience at school.

Thank you for your ongoing support of the school and have a lovely weekend.

Best wishes from Miss Frost

Thank
you!

Safeguarding

Thank you for your support and understanding regarding the revised 'end of day' arrangements and protocol for accessing the school site. The safety of everyone is of paramount importance to us. We continue to monitor the effectiveness of the arrangements and, if you have any feedback, please let us know.

Our focus for safer internet day was thinking critically when accessing Artificial Intelligence (AI). The UK Safer Internet Centre have created parent guides on the safe use of a range of devices, including smart speakers & TVs.

Collective Worship

This week, we focused on the value of love, inspired by the story of St Monica. We also considered why 'the rule of law' is an important fundamental British value. We considered how rules are distinct from laws.

Successes this week

MEADVALE SINGERS

Thank you to this community group who have kindly donated the proceeds from their Christmas concert to local schools to purchase books.

We have purchased a range of picture & chapter books featuring neurodivergent characters, ahead of marking neurodiversity celebration week.

WORLD BOOK DAY

The children and staff loved celebrating reading for pleasure yesterday. They particularly valued the opportunity to share their favourite book with a peer in another class. Thank you for participating in the book swap too.

ECO HEROES

Thank you for your support at last week's cake sale and non-uniform day, initiated by Matilda & Rosie. This week, the children planted your kind donations and these have brightened up the playground.

Inclusion

COFFEE MORNINGS

I am pleased to share we will be hosting a series of information sessions for families. There will be a range of external professionals present, including a school nurse, our home school link worker and a Surrey SEND adviser. Further details to follow in due course.

- March: Secondary transition
- April: Promoting sleep
- May: Supporting neurodiversity at home
- June: SEND support at school

If your child has a barrier to accessing printed text, they are eligible to access a free audiobook subscription service from Calibre. A diagnosis is not a pre-requisite.
