## Successes this week

### CROSS COUNTRY

Twenty children represented the school at an event held at The Weald, competing against seven local schools. Everyone showed fantastic determination to finish and I was so proud to see how supportive they all were of each other!

*you can do  
ANYTHING  
you just have to be  
DETERMINED*

Orla came 2<sup>nd</sup> in the Girls UKS2 race and Keavy came 3<sup>rd</sup> in the Girls LKS2 race. Well done to everyone who took part! After Easter, I will be starting a running club on Fridays before school and I hope lots of the children would like to take part.

### WELLBEING AMBASSADORS

On Friday, Children across Hedgehog and Otter class undertook a training session led by EIKON to become 'wellbeing ambassadors'.

They collaborated brilliantly. They showed respect for each other and were highly articulate. I am looking forward to helping the team put their ideas into action!

## Inclusion

### YOUNG CARERS

Action for Carers support carers across Surrey. Your child is a young carer if they provide practical or emotional support because someone in your household is suffering with a long-term illness or a disability.

The evidence shows many young carers are not registered. Please let me know if you think your child may be a young carer so we can support your child in school.

### SCHOOL UNIFORM

Marks & Spencers stock an 'easy dressing range' including items without buttons or zips and flat seams

Please consider registering with Action for Carers and your child's GP to access financial, physical and emotional support.

## Music

Does your KS2 child play an instrument? Would they like to play as the school enter the hall for collective worship? If so, please encourage them to sign up outside my office. The children are so talented and it would be wonderful to share this with the whole school.

I am looking forward to a performance by our choir this week in celebration assembly.

## Safeguarding

### PARKING & ACCESS

For the safety of all families, please remember to drive carefully and park legally on Broomfield Road.

Please note, School Lane is a private road beyond the school and so parents should avoid accessing the road by car.

Thank you for your support.

## Attendance

The NHS have issued guidance to support parents & carers to decide if a child is too ill to attend school.

In addition, we marked Young Carer's Action Day - focusing on what it means to be a young carer and who they can talk to if they are worried.
