Notes to Parents and Reminders:

Welcome back to the second half of the Autumn term. The class has settled wonderfully into our daily routines. The support and care they show to each other is really lovely. There is another busy half term ahead of us with much to learn but we finish with the excitement of Advent, the build up to our Christmas celebrations in school and a surprise visit!!

Thank you for your continued support with your child's learning. Please keep in mind that most progress is made when reading daily, this really does make such a difference! Again, daily recapping of the phonemes covered so far goes a long way in helping them to progress.

Remember Wednesday is Forest School Day! The children should continue to attend school in their own clothes for these sessions. Please make sure they are warm enough as the temperatures drop! They will require layers of clothing, hats, coats, gloves, wellies etc... depending on the weather. Please also ensure they have **alternative footwear** for the classroom if their wellies are not kept in school!

P.E. KITS: PE continues to take place on a Monday and Tuesday for Year 1 Bees and Tuesday for Reception children. Children need to have appropriate clothes for both indoor and outdoor PE

Punctuality: The official start time of school is 8.45am. Please ensure your child arrives promptly, as learning activities are available from 8:30am. As the children are now confident coming into school, please could you leave your child/children at the school gate to encourage their independence.
