

# Surrey Hills All Saints Newsletter

**Our Christian value for this half term is New Beginnings and Love  
19th November 2021**

Dear Parents, Carers,

What another busy week here at Surrey Hills! We have been welcoming parents and children alike to the Abinger and Westcott sites for our open days. The Y6 have done a fantastic job of showing the visitors around our school; they are always a credit to us and you, demonstrating maturity and confidence in their conduct. We would also like to extend our thanks to those parents who have supported our open days; either by serving refreshments or helping to promote and spread the word about our lovely school amongst the wider community. Although our open days are now complete we would be happy to facilitate a tour of either site, should you have missed the opportunity. Please contact the school office should you require this.

As the end of November is fast approaching, we will be confirming details around our Christmas plans and celebrations over the next couple of weeks. The children are already in the process of practicing Christmas songs and hymns, they are sounding fantastic already!

Along with one of our local secondary schools, a reminder that we are holding an inset day on Monday 29<sup>th</sup> November. Staff will be in school on that day and we will look forward to welcoming pupils back on Tuesday 30<sup>th</sup> November as usual.

As we all marked Remembrance Sunday last weekend; some of you may have attended local memorial services. Each of our classes decorated willow wreaths with personalised poppies. These wreaths were laid by members of our community at various locations; including Coldharbour, Abinger and Westcott.

I wish you all a very lovely weekend.

Mr Coles

## **School Coach—Westcott Site**

**From Monday 22nd November 2022, the school coach will be dropping the children off in the morning, at the Crown Pub bus stop, not at the Westcott Green.**

**Please DO NOT park in the bus stop outside the nursing home, or opposite the nursing home, as the school coach needs this space to be able to turn around.**

## **Volunteer Workshop**

We are hoping to welcome willing volunteers back into our school in the New Year. In order to do this we are running a Volunteer workshop on the morning of 30th November at 9.30am at the Westcott site. Anyone who is interested in coming into school as a volunteer needs to attend this workshop in order to adhere to training and safeguarding requirements. The session should last no longer than an hour. Mrs Sawyer looks forward to welcoming you into school on that morning.

### Newsletters

Newsletters will now be sent monthly, weekly updates of events and successes (e.g. Star of the week) will be added to the website and on social media.

### INSET DAY

**Monday  
29th  
November 2021**

### School Messages

Please note we are unable to take messages from children with regards to their going home arrangements, these must be communicated by parents/carers via email or telephone to the school office.

### Badgers Class

Badgers Class are incredibly proud of the fabulous artwork they have produced this term. Learning about space, they were inspired by the work of British artist, Peter Thorpe. After exploring mark making with chalks and pastels, they then learnt how to create spheres. This was then applied to a 'space scape'. Our final piece was created over two weeks. Firstly, a variety of tools such as sponges and combs, were used to create the background. Planets were added and then, finally, rockets created (with use of complementary colours to create 3D affect).

"We are all so proud of our work and the displays look amazing."

"The effect of mixing paints and pastels was really incredible."

"I loved learning techniques to make my planets look round."

### Year 3 and 4 Wow Day

Year 3 and 4 have been busy learning about the Mayan's. They discovered that the Mayan civilisation was incredibly advanced in many ways. Did you know that they created their own calendar and built 60 cities!

The half terms learning on this ancient civilisation and culminated in a fantastic 'Wow' Day' which included painting Mayan masks and replica Mayan tiles.

### Sporting Events

We have participated in a number of sporting events this term, including two cross country competitions and three football tournaments. It has been amazing to be back taking part, with Dorking schools. We look forward to further competitions in the New Year.
