Phonics Play - Phase 2 to 5

Topmarks

Welcome back to school, After the excitement of Christmas we are ready to settle down to a full half term of learning (and some fun too!)

Notes to Parents and Reminders:

Reading – Daily reading is still vital to help develop confidence, speed and fluency. Don't forget to sign the reading record book to indicate when you have heard your child read.

Maths - Don't forget to make use of Doodlemaths, Numbots and TT Rockstars. Year 2 are starting multiplication this term so TT Rockstars is invaluable when learning times tables! Logins are in the front of the reading records. Let me know if you need it reprinted again.

Forest School: Children need to be appropriately dressed for the weather. Wellies can stay in school. They also need to have **waterproofs in school** for every session. If children come to school in their wellies they need to have alternative footwear to wear whilst inside school.

P.E. KITS: PE remains on a Thursday (and Wednesday for half the class). Please ensure they are appropriately dressed as some sessions will be outdoors

Punctuality: The official start time of school is 8.45am. Please ensure your child arrives promptly, as learning begins straight away.

Many thanks as always for your support

Mrs Dutton

Dates for the diary

2.1.24 INSET Day

9.1.24 Victorian Day
