Notes to Parents and Reminders:

Key Dates

Tuesday 20th February

Back to school

Tuesday 5th March

Toy workshop

Reading – Thank you for all your support in helping your child learn to read with fluency and expression. The majority of children are showing good progression both their reading and writing. It is so important to read the book for **3 days in a row** to really develop their fluency and decoding skills. Books and reading records should be brought to school daily. Year 2 children on the accelerated reading scheme should still be reading every night and taking the comprehension quiz in school upon completion of the book.

Keep logging into Times Table Rockstars and Numbots to challenge yourself! The children are also loving Doodlemaths, if you need your passwords for any of these sites, please let me know.

Wellington boots - To be left at school for wet playtimes and learning activities.

Punctuality - The official start time of school is 8.45am. Please ensure your child arrives promptly, as learning activities are available from 08:30am.
