Welcome back to the second half of the Autumn term. The class has settled beautifully into our daily routines and they all work to the best of their abilities which is lovely to see. The support and care they also show each other is really heart-warming. Lots of work to get through this half term but we finish with the excitement of Advent and the build up to our Christmas celebrations in school.

Reading – Children should read daily at home. The RWI programme is specifically designed to build fluency which is why children have a book for 3 days so they can re read it every night.

Spellings – Children are expected to be able to spell the Year 1/Year 2 common exception words that were sent home at the beginning of term. Please ask if you want another copy!

Number bonds up to and including 10 then 20 and 100 (including near doubles, doubles and halves) – How can you use your doubles and halves to help you? Can you spot any near doubles? Use **Doodlemaths** and **Numbots** and **TTRockstars** (Year 2) to challenge your learning.

Times tables (Year 2) – Keep logging into TT Rockstars to challenge yourself!

P.E. KITS: PE continues to take place on Wednesdays. Children need to have appropriate clothes for both indoor and outdoor PE

Forest School: Monday is our forest school day. Please remember Year 1 and 2 rotate sessions throughout the half term with PE. This will be communicated by email.

Punctuality: The official start time of school is 8.45am. Please ensure your child arrives promptly, as learning activities are available from 8:30am.

Many thanks for your continued support

Mrs Dutton
