

Pumpkin Competition

We are excited to announce the launch of our annual pumpkin competition, which will be taking place this October. Now is prime growing season and there is plenty of sunshine for your seeds to enjoy.

Hopefully, you may have some seeds at home or can purchase some, if not, there will be a few seeds available for collection from school, should you wish to collect one to grow. If you are unable to source, collect or grow seeds, there are still categories for you to enter.

The categories are as follows:

1. Class pumpkin to be judged on size and form. A Year 6 representative will choose a plant from the green house and will grow on for your class until we are all back together again.
2. Heaviest pumpkin
3. Smallest/cutest pumpkin
4. Best pair of pumpkins
5. Best dressed - Hero pumpkin to include key workers
6. Hero pumpkin picture/collage/artwork
7. Pumpkin poem.

The competition is open to all pupils at Surrey Hills All Saints (including our current Year 6, who will be in Year 7). You have to be in it, to win it!

Happy growing and we look forward to seeing your results in October.
