

SUMMER TERM – Week 10 (w/c 29/6/20)

Years 3 & 4

Dear Parents & children,

We hope that you have been enjoying the sunny weather this week and are managing to keep cool. We have really enjoyed reading your newspaper reports and are really impressed with the quality of work that we have received.

From now on, you will be completing a weekly learning project which will allow you to take an in-depth look at our chosen weekly topic. This week's theme is '**All About Chocolate**'. We have created a learning blog which contains project and presentation ideas as well as resources to help get you started on your research. Remember to watch any linked or embedded YouTube videos with a responsible adult.

You can present your research in any format, either on or off line, however we do ask that you try to upload a picture of your learning to PurpleMash so that we can see it. Make sure that you have created an 'All About Chocolate' folder in your 'My Work' file so that we can easily locate your work. Remember to take regular breaks when working on the computer.

We will also continue to post the White Rose Maths videos and worksheets on the relevant Maths blogs for you to complete.

Next week, the blogs that you have access to will be changing. Instead of subject specific blogs, we have created broader blogs to help you continue your learning over the next few weeks. They include:

Y3/4 Learning Projects – Contains videos, links and information specific to the weekly learning topic

Y3 Maths – Contains the White Rose videos and worksheets for Year 3 children

Y4 Maths – Contains the White Rose videos and worksheets for Year 4 children

Y3/4 Spelling – Contains the Y3/4 spellings as well as links to spelling games

Audio Books – Contains a selection of audio books, including Roman Invasion, read by your teachers

Class blog – Contains class specific information and posts

The **Problems with PurpleMash, PE and Calm Corner** blogs will continue to function as normal.

Try to post images on the class blogs of what you have been doing - we are all missing you and wondering what amazing things you have been up to. We're really looking forward to seeing all of your fantastic learning projects. We are all really impressed with how well you are coping with this situation and the dedication that you have shown to your learning.

Please be aware that the majority of staff are now working back in school and they will not be able to be as responsive as they have been over the lockdown period. We ask for your patience and understanding on this matter.

With very best wishes,

Mrs Coyle, Mrs Squires, Miss Thomas and Mrs Grover.

Parents, please remember to follow Surrey Hills All Saints on Facebook and Twitter
