### Notes to Parents and Reminders:

Another busy half term ahead of us with much to learn and a few surprises on the way!

Thank you for your continued support with your child's learning. Please keep in mind that most progress is made when reading daily, this really does make such a difference! Books will be given out on a Monday and returned to school on the Thursday, allowing them to be quarantined ready for the next week, we are very grateful for your support with this. Phonics sheets continue to go out on a Friday, please add these to your folders at home and upload pictures to Tapestry. Again daily recapping of the phonemes covered so far goes a long way in helping them to progress. We also add any reminders or messages that need to be communicated

Remember Wednesday is Forest School Day! The children should continue to attend school in their own clothes for these sessions. Please make sure they are warm enough as the temperatures drop! They will require layers of clothing, hats, coats, gloves, wellies etc...depending on the weather. Please also ensure they have **alternative footwear** for the classroom if their wellies are not kept in school!

Finally we will move on to the celebrations of Christmas in school. As yet we don't know what it will look like by early December but rest assured the children will not miss out!

With best wishes,

The EYFS Team
